Introduction and Summary of FY10 Statistics

The FY10 (2009-2010) edition of Iowa Public Library Statistics includes information on income, expenditures, collections, circulation, and other measures, including staff. Each section is arranged by size code, then alphabetically by city. The totals and percentiles for each size code grouping are given immediately following the alphabetical listings. Totals and averages for all reporting libraries are given at the end of each section.

Of the 543 libraries in Iowa, 525 submitted a report. Only those libraries that submitted an annual survey will be included in this report. The table of size codes (page 5) lists the libraries alphabetically.

The following table lists the size code designations, the population range in each size code, the number of libraries reporting in each size code, and the total population of the reporting libraries in each size code. The total population served by the 543 libraries is 2,339,070. Population data is used to determine per capita figures throughout the publication.

Library size codes are based on the population of the city that the library was established to serve. Population figures are from the 2010 U.S. Census or most current special census.

Size	Population Range	Number	Total Population
A	Less than 500	146	45,645
B	500-999	131	95,164
C	1,000-2,499	135	208,999
D	2,500-4,999	49	172,732
E	5,000-9,999	41	282,020
F	10,000-24,999	17	234,502
G	25,000-49,999	11	350,698
H	More than 50,000	10	883,837
I	County Library	3	65,473

Public library statistics are used at the local, regional, state, and national levels. They are used to compare library performance, justify budget requests, track library data over time, assist in planning and evaluation, and provide valuable information for grants and other library programs. Each of the 50 states collects information according to guidelines and definitions established by the Public Library Statistics Cooperative (PLSC).

The PLSC also provides state-by-state rankings for public libraries. In FY08, the latest national data available, Iowa public libraries ranked as follows in comparison with other states (per capita):

Total Income-30	State Income-31	Visits-14
Books/Serials-13	Circulation-13	ILL/Borrowed-17
Total Expenditures - 24		

With 543 independent public libraries, Iowa ranks 4th, behind New York, Illinois and Texas, in total number of public libraries.

The following table compares FY09 and FY10 data for Iowa public libraries.

Category	FY09	FY10	% increase
Total Income	\$105,947,107	\$107,586,863	1.5%
Governmental Income	\$95,069,955	\$97,677,462	2.7%
Total Expenditures	\$101,110,278	\$103,628,414	2.5%
Borrowers	2,035,557	2,062,956	1.3%
Visits	18,752,034	19,656,938	4.8%
Circulation	28,703,834	29,414,678	2.5%

The data elements and definitions used to collect the information included in Iowa Public Library Statistics are included in the Public Library General Information Survey <http://www.statelibraryofia.org/go/plsurv>

Income

The Income section includes revenue from all government sources for FY10. It also includes non-government revenue such as gifts or endowments. Library per capita income is included from city and total sources. Per capita income is determined by taking the library's income and dividing it by the population of the city.

The listings that follow are in alphabetical order by size code. Use the Table of Size Codes on pages 5-6 to locate a library.

Size Code	City	Population	City Income	City Income per Capita	County Income	State Income	Other Governmental Income	Non-Governmental Income	Total Income	Total Per Capita Income
A	Alexander	175	\$5,250	\$30.00	\$20,779	\$2,187	\$0	\$8,601	\$36,817	\$210.38

Expenditures

The Expenditures section includes spending for library operations in various categories including staff, and collections. It also includes other operational expenditures such as equipment, utilities, and building maintenance. Total per capita expenditures is included. Per capita expenditures is determined by taking the library's expenditures and dividing it by the population of the city.

The listings which follow are in alphabetical order by size code. Use the Table of Size Codes on pages 5-6 to locate a library.

Size Code	City	Population	Staff Expenditures	Collection Expenditures	Other Expenditures	Total Expenditures	Per Capita Expenditures	Capital Expenditures

Collections

The Collections section lists the number of total items available for use as of June 30, 2010. Library collections include print, audio/visual, downloadable, and other materials such as puppets or toys.

The listings which follow are in alphabetical order by size code. Use the Table of Size Codes on pages 5-6 to locate a library.

Library Transactions

The Library Transactions section shows the use of library materials in various formats (circulation). Interlibrary loan (ILL) activity, registered borrowers, and annual library visits are also shown.

The listings which follow are in alphabetical order by size code. Use the Table of Size Codes on pages 5-6 to locate a library.

Other

This section includes information about staff full-time equivalents (FTE), director's hourly salary, reference transactions, hours open, program attendance, public Internet computer users, and square feet of building.

The listings which follow are in alphabetical order by size code. Use the Table of Size Codes on pages 5-6 to locate a library.
