Licensee and Authorized Users agree to abide by the Copyright Act of 1976 as well as any contractual restrictions, copyright restrictions, or other restrictions provided by publishers and specified in the Databases. Pursuant to these terms and conditions, the Licensee and Authorized Users may download or print limited copies of citations, abstracts, full text or portions thereof provided the information is used solely for personal, non-commercial use. Licensee and Authorized Users may not publish the information. Licensee and Authorized Users shall not use the Database as a component of or the basis of any other publication prepared for sale and will neither duplicate nor alter the Database or any of the content therein in any manner nor use same for sale or distribution. Licensee and Authorized Users may create printouts of materials retrieved through the Databases via on-line printing, off-line printing, facsimile or electronic mail. All reproduction and distribution of such printouts, and all downloading and electronic storage of materials retrieved through the Products shall be for internal or personal use. Downloading all or parts of the Databases in a systematic or regular manner so as to create a collection of materials comprising all or part of the Databases is strictly prohibited whether or not such collection is in electronic or print form. Notwithstanding the above restrictions, this paragraph shall not restrict the use of the materials under the doctrine of "fair use" as defined under the laws of the United States. Publishers may impose their own conditions of use applicable only to their content. Such conditions of use shall be displayed on the computer screen displays associated with such content. The Licensee shall take all reasonable precautions to limit the usage of the Database(s) to those specifically authorized by this Agreement.
