The Enrich Iowa program includes Direct State Aid for public libraries, Open Access, and Interlibrary Loan Reimbursement. The library will participate according to the Terms of Agreement for each program.

**Which programs do you want to participate in? Check the box(es) below:**

- Direct State Aid** - Direct State Aid is state funding to libraries intended to improve library services and to reduce inequities among communities in the delivery of library services.
- Open Access** - Open Access provides Iowans with direct access to more library materials and information resources. It is a reciprocal borrowing program that enables users from a participating library to check out materials at other participating libraries.
- Interlibrary Loan Reimbursement** - Interlibrary Loan Reimbursement provides Iowans with equal access to library resources by encouraging and supporting interlibrary loan among libraries of all types.

**1. General Provisions**

- B. A public library must participate in Open Access and Interlibrary Loan Reimbursement in order to be eligible for Direct State Aid funding.
- C. A public library may choose to participate in Open Access or Interlibrary Loan Reimbursement without participating in Direct State Aid.

**2. Assurances**
