

Iowa Public Library Statistics, 2002-2003

Income

The listings which follow are in alphabetical order by size code. Use the Table of Cities and Size Codes in the Introduction to locate a library. For definitions, see the Public Library General Information Survey section at the end of this document.

The Income section includes funding received from various government and non-government sources during FY2003. The income received per person is also listed.

Expenditures

The listings which follow are in alphabetical order by size code. Use the Table of Cities and Size Codes in the Introduction to locate a library. For definitions, see the Public Library General Information Survey section at the end of this document.

The Expenditures section includes spending for library operations in various categories such as salaries and other staff costs, books and other materials, and other expenditures, such as supplies and plant operations. The amount spent per person is also listed.

Collections

The listings which follow are in alphabetical order by size code. Use the Table of Cities and Size Codes in the Introduction to locate a library. For definitions, see the Public Library General Information Survey section at the end of this document.

The Collections section lists the number of total items available for use as of June 30, 2003, including print and non-print materials. The percent of the collection added and withdrawn during the year and the number of items per person is also listed.

Iowa Public Library Statistics, 2002-2003

Circulation

The listings which follow are in alphabetical order by size code. Use the Table of Cities and Size Codes in the Introduction to locate a library. For definitions, see the Public Library General Information Survey section at the end of this document.

The Circulation section lists the number of times various types of library materials were checked out to library customers. The number of circulations per capita is also listed, as is the number of items loaned to other libraries (ILL Provided). The turnover rate shows how many times, on average, each item in the collection was checked out.

Iowa Public Library Statistics, 2002-2003

Other

The listings which follow are in alphabetical order by size code. Use the Table of Cities and Size Codes in the Introduction to locate a library. For definitions, see the Public Library General Information Survey section at the end of this document.

The Other section includes information about staff full-time equivalents (FTE) and director hourly salary, as well as information about registered borrowers, library visits, reference transactions, hours, attendance at children's programs, and Internet usage.
