

The Open Access program lets you enjoy the convenience of:

Open Access

- Using a library where you work, shop or vacation
- Using over 500 libraries in Iowa
- Returning borrowed items to your own library or any participating library
- Direct access to more books, magazines, music and movies
- Direct access to special collections of business information and travel

Your librarian has a list of participating Open Access libraries, or you may call the State Library at 1-800-248-4483 or (515) 281-4105.

Generally, you will be able to find what you need at your local library. When using the Open Access program, please observe the policies, regulations and restrictions of the library where you borrow materials.

Open Access is a state funded program sponsored by Iowa Library Services/ State Library
