Folksinging.org

Descriptors:

Folksinger Storyteller Autoharp Virtuoso

Performance Description:

GET CREATIVE AT YOUR LIBRARY! It wasn't that long ago when only kings and queens were rich enough to have other people play music for them. In the old days, regular folks like you and me had to make our own music. That's why it's called "folk music". This entertaining and interactive sing-along Summer Reading Program introduces youngsters to one of the oldest forms of human creative expression: the oral tradition of folksongs.

Fishing Comedy, Ventriloquism

Performance Description:

The Bassmeister is a fun and energetic guy who brings the excitement of fishing into the lives of children. His shows are both entertaining and educational, and are chock full of fast-paced ventriloquism, comedy, audience participation, visual props, and puppets. Children will enjoy being directly involved on stage with demonstrations and become "stars" on the stage right along with the crazy antics of The Bassmeister himself! Shows run 30-45 minutes long and have been well received at events across the USA and Canada. Each show includes important educational pointers that cover such topics as water safety, environmental awareness, and fishing techniques. (The Bassmeister is also a balloon artist, if the need arises.)

One Man Play

Performance Description:

In 1938, Forrest Spaulding wrote the Library Bill of Rights, which was adopted by the American Library Council. Spaulding served as director of the Des Moines Public Library from 1917 to 1919 and from 1927 to 1952. His story is bigger than Des Moines or even Iowa. Spaulding's words and life touched everyone who loves not just books, but freedom of speech. 30 minute program portrays Spaulding with gentle good humor he was known for, as well as his devotion to the library to civil rights. Spaulding was a very unquiet librarian and the play shows what one good man can do in the world.

Phone: (319) 688-1355 319-329-9821

email: koschmeder@commspeed.net

Descriptors:

Naturalist

Performance Description:

Kids in Nature Naturalist Maria Koschmeder will tell a story about "Koluscap and the Water Monster". Participants become a water drop and "travel" the world through the water cycle and make a craft as they travel. They will meet water creatures (live water animals from Iowa) along the way. Participants will find out how important water is, how it is recycled and how many other living things need it. Kids in Nature Programs are all hands-on, experiential, "get-dirty" activities. They are best done with small groups (30 or less), however, multiple programs can be scheduled for the day. Programs can be adapted to preschool through 8th grade aged students.

Descriptors:

Interactive and Educational

Performance Description:

Wildlife Encounters brings some of the world's most fascinating animals to your library. We discuss each animal's habitat, natural history, geography and cool facts for the kids. Our program is not only educational, its fun. We call upon audience members to help demonstrate some of our animal ambassadors like holding a 7 foot long python or feed a baby joey kangaroo. We also encourage reading by explaining that the more knowledge we gain about these animals from reading books, the more opportunity we will have to help conserve our planet and guarantee these animals a future.
