**Please Note:**

The following explains how Knight Ridder/Tribune Business News and Knight Ridder/Tribune News Service selects newspaper articles for inclusion on *Newspaper Source* :

- How many articles, and what percent of articles are taken from any given paper?
- What are the criteria for selecting articles?

**Knight Ridder/Tribune Business News**

We ask that every newspaper provide ALL business and related stories published on a given day. We do not set story limits; we forward all stories that we receive. We encourage the newspapers to interpret broadly the term "business-related", keeping in mind the breadth of our industry codes. Of course, the quantity of business and related stories varies from paper to paper depending on size of paper and other factors.

**Knight Ridder/Tribune News Service**

We ask that every newspaper provide ALL stories that are of national or international interest. We do not set story limits; we edit and forward the stories that our editors judge to be of interest to customers. Of course, the quantity of stories varies from paper to paper depending on size of paper and other factors.
