The State Data Center of Iowa is your source for statistics about Iowa's people, housing, economy and government.

Quality Information

The State Data Center offers accurate and up-to-date statistics about Iowa:

- Extensive data on our Web site
- Telephone and e-mail answers to quick data requests
- Statistical profiles of Iowa communities and special populations
- Custom data tabulations
- Data mapping
- Consultations on appropriate uses of data
- Referrals to quality data sources

Project Support

We can supply Iowa statistics to enhance your next big project:

- Task force reports
- Presentations
- Grant proposals
- Business plans
- Policy studies
- Site analyses
- News stories
- Research and class projects

Training

Our staff offers training to empower you and your staff to find high-quality information:

- Finding demographic and economic data on the Web
- Using the State Data Center's services and resources

Statewide Access

We can help wherever you have an office, even at home or on the road:

- Web site: www.iowadatacenter.org
- E-mail: census@lib.state.ia.us
- Local phone: 515-281-4102
- Toll-free: 1-800-248-4483.

Services to All

The State Data Center helps anyone who needs statistics about Iowa:

- General public
- Government officials
- Businesses
- Not-for-profit organizations
- Journalists
- Librarians
- Teachers and students
- Legal and medical professionals

The State Library of Iowa

The State Data Center is Iowa's liaison to the U.S. Census Bureau for the state data center program, business and industry data center program, and the federal-state cooperative programs for population estimates and projections. The State Data Center is a unit of the State Library of Iowa.
